

# Celebrate Lesbian Visibility Month with...

In 2024,  
**Lesbian Visibility Day**  
is April 26  
and  
**Lesbian Visibility Week**  
is April 22-28

But we are Lesbian Visible  
always - so why not claim April  
as  
**Lesbian Visibility Month!**

Please join us as we celebrate  
with several events in April.

For more details, visit:

During the month of April,  
we are participating in **401  
Gives** to raise funds to  
lease a workspace for our  
Groundkeepers organizing  
our collections.

Your generous donations  
are gratefully accepted and  
appreciated.
